

"The Gamechanger's Playbook captures the tumult of this moment and presents an optimistic path forward for industry leaders."

KIM GREENE | CHAIRMAN, PRESIDENT, AND CEO, SOUTHERN COMPANY GAS

"Thankfully, at this precipice, Tisha Schuller provides us with this insightful and timely examination of how our industry can not just adapt, but thrive in an uncertain future."

KEVIN KRAUSERT | PRESIDENT & CEO, BEAVER DRILLING LTD.

"Tisha Schuller is a 'whisperer' of sorts to executives across the hydrocarbon industry."

SUZANNE OGLE | CEO AND PRESIDENT, SOUTHERN GAS ASSOCIATION

All of us who work in oil and gas feel the press of massive disruptions affecting our industry. An increasingly hostile—or at best skeptical—public is demanding a very different energy system.

As an oil and gas leader, you feel enormous pressure to seize this moment—not just to survive, but to find a path to unequivocal success. To lead a thriving energy industry into an inclusive future

that embraces the disruptions we now face. But how?

The Gamechanger's Playbook is written for you—both to make sense of this moment and to help chart your leadership path ahead. In a world of continuous disruption, this book is your key to becoming a disruptor – the game-changing leader who anticipates the future and sets its agenda.

ABOUT THE AUTHOR

Tisha Schuller founded Adamantine Energy to future-proof energy businesses against rising social risk. She serves as the Strategic Advisor for Stanford University's Natural Gas Initiative. Previously, she served as President & CEO of the Colorado Oil & Gas Association. Tisha is a member of the National Petroleum Council, an advisory board to the Secretary of Energy.
